Archway Publishing, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. A Review by Philip Getting, MB. B.S. (Properties Medical Clinic) "The notion that space and time as eternal, is novel! A Review by Dr. Clara A.B. Joseph (University of Calgary). There are very few success books out there that at once span the physical, the psychological, and the spiritual and have the child as its main subject. WOW! A Meaning of Life, however, is one such find. It is a book about the child as a hero and an anti-hero. It discusses the hero, the victim, and the villain as having various characteristics. The categories are never simplistic, and the book takes us to the next level of understanding these varieties. The book begins with an epigraph on the theme of the search for meaning taken from Kumaran Asan, an activist and poet of British India. This search on ethical grounds marks the rest of the book. The pages flow seamlessly between considerations on the material world and thoughts on the non-material aspects. It considers the "dynamic phenomenon" of conscious love and truth and the place of freedom in between. Here, freedom itself may not be unrelated to the "epidemiology of evil" the study of how the plant and animal world (that which existed before us, the author reminds us) and its diseases may have become the "the forbidden fruit" of the Book of Genesis. In the final chapter - on truth, we see once again the analogy drawn between the scientific and the theological, a curious link involving the Trinity and an atom. The book culminates with the million-dollar question - where is human evolution heading? Written in highly accessible language, the book leaves one musing for days on end, this time, however, with new-found hope...
